The image shows a page from a handwritten musical manuscript. At the top, there are two systems of musical notation, each consisting of five staves. The notation is dense, with many notes and rests. Below the first system, the word "Counterpoint" is written in cursive, and below the second system, the word "Diaphor" is written. Below these are three more systems of musical notation, each consisting of two staves. The notation in these systems is more rhythmic and less note-heavy than the top systems. The first system of these three is labeled "Counterpoint", the second is labeled "Diaphor", and the third is labeled "Tork's Hed". The manuscript is written on aged, yellowed paper.

The image shows a page from an antique manuscript book. The top portion of the page features a grid of notes, likely a tablature or a specific type of musical notation, arranged in a rectangular pattern. Below this grid, there are several staves of musical notation, each with handwritten labels in cursive script. The labels include "Draft for the Duce border", "Draft", "Diaper", "Dreeding for the Duce border", "Dreeding", "Draft", "Dreeding", "Draft", "Dreeding", and "Dreeding". The paper is aged and shows some staining, particularly a large brown spot near the center.

Single Coorlits

The manuscript page is divided into two main sections. The upper section, titled "Single Coorlits", contains a large grid of notes. The grid is approximately 12 columns wide and 10 rows high. Each cell in the grid contains a small, handwritten note, likely representing a specific pitch or rhythm. Below the grid, there are several staves of musical notation. The notation consists of horizontal lines with vertical stems and small rectangular marks, which are characteristic of early printed or handwritten musical notation. The lower section of the page contains more staves of notation, with the word "Cros" written in the middle. Below "Cros", there is a phrase "Line Dimora in ore" written in a cursive hand. The page is aged and shows some staining and wear.
